

On Call

Message from the President

Hello SCEOT members!

Summer is coming quickly and the last day of school will be here before we know it!

Please note that the office will be closed for the summer starting June 26th and any inquiries should be made before that date.

PD \$\$\$ DRAW ! Have you taken a course or purchased a resource since September 2014? If so, fill out the google form at

<http://tinyurl.com/ppzk4ek> before **June 12 at 4pm** and enter to win one of 5, \$50 draws for course entries and one of 10, \$25 draws for resource entries!

Day of Protests June 6th (Liberals) and 13th (OPSBA)! **Register for your seat on the bus today!** (Information

emailed/mailed with Bulletin #22 May 26/27th).

Shirts for "Wynne Wednesday" are coming to schools for permanent staff and we have some for you too! If you wish to order a SCEOT shirt (paid for by the local), please contact politicalaction@sceot.org with name, school and size.

As I have mentioned in previous messages, I took part and completed Union School this year. As part of the survey results, members said they want to know more about the SCEOT local.

Attached to this email is a pie chart consisting of a breakdown of what I

do as President of the local. If you have any questions about anything to do with the local, or the charts, please don't hesitate to contact me.

As you may know, the Liberal government is proposing to privatize Hydro. Please support our brothers and sisters by visiting <http://www.KeepHydroPublic.ca/> and supporting them in any way you can! A big rally at Queens Park May 28th is just the beginning! Solidarity Forever!

As always, should you have any questions, comments or concerns, please contact the office!

Yours in Education,

Amy Chevis

Annual General Meeting

Another successful annual meeting was held at the SCEOT office on May 12, 2015. A huge thank you to those who attended, voiced their opinions and wished to get involved with union activities! This is **your union** and the more input and feedback we receive, the better we can provide opportunities that are beneficial and relevant to you! The \$150 draw winner was not in attendance, so the October General Meeting will have a \$200 draw for one lucky winner (if you're there!) Register in September and bring one, two or three SCEOT friends to enjoy a night learning about the goals for the year, the budget expectations and what's going on locally and at the provincial level! No obligation to participate or join any committees, however we do appreciate it and hope for it! Come and listen, or join in the conversation, this is your union, your voice and your career, why not be sure you're informed?! We look forward to seeing you in October (details on dates to come!)
