

## The Importance of Greating a Resume that

### Focuses on Skills

Using the three pillars of the Board Improvement Plan to organize your skills was suggested during the workshop.

The three pillars being:

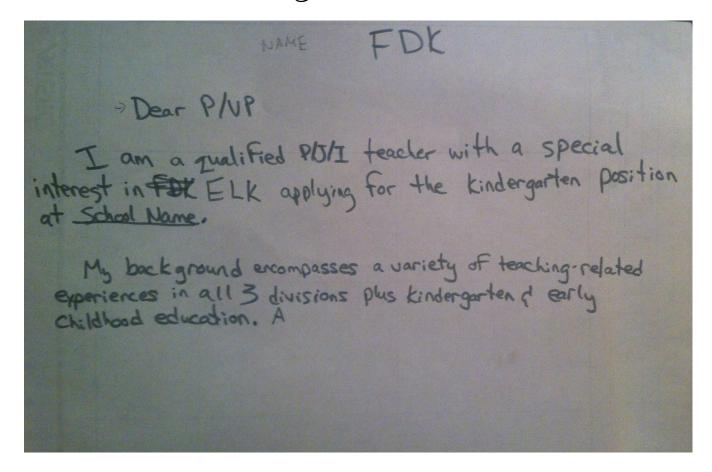

- Community, Culture and Caring
  - Teaching and Learning
  - · Program and Pathways

### Exemplars of Participant Work

#### Please Note:

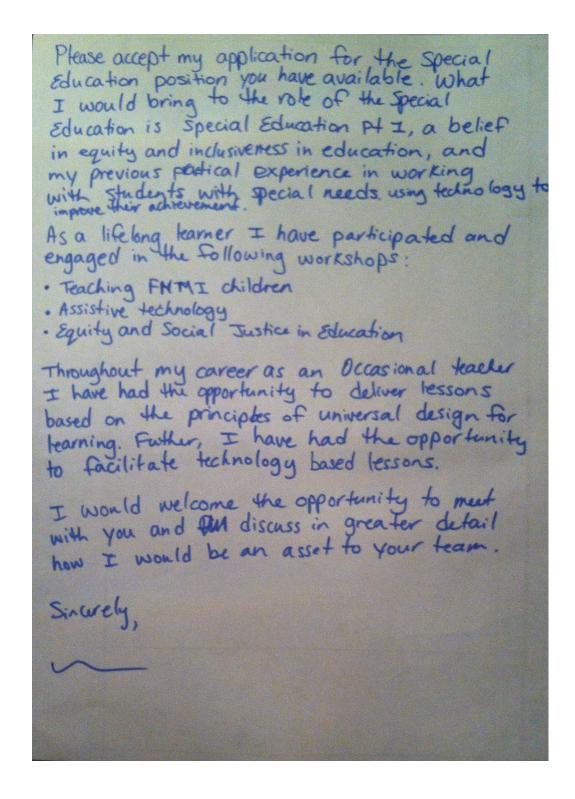

SCDSB's Essential Classroom Practices states that: Exemplars are samples of student work that can be used in a variety of ways to support learning.
