Happy May!

In Professional Learning, we have a new exciting Professional Learning opportunity coming in June: Engaging Aboriginal Families and Communities for Women Members. Registration for this workshop will open May 6th in the morning.

There is overwhelming interest for the Making Math Happen released workshop. I am finalizing the registration list and the 20 registrants will be contacted soon to confirm registration. The wait-list will remain active and if there are any cancellations, I will be contacting those next on the wait-list as soon as possible.

Thank you for your ongoing commitment to professional learning,

Elena Vandergeest

A Note about Registration...

Please note that our workshops are met with a great deal of interest and fill up rather fast. We typically do have wait-lists for upcoming workshops. If you are unable to attend an event that you have registered for, please let me know at sceotpd@hotmail.com as soon as possible, so that I can open the spot to a member on the wait-list.
