## Outdoor Learning in Kindergarten: A Play and Inquiry Based Approach to Math and Literacy

**Date:** Tuesday, March 1

**Time:** 5:30pm to 7:00pm

**VIA ZOOM**

Registration now open

This session will explore literacy and math learning in the outdoors, through a play and inquiry-based approach.

Some quick and easy games and activities will be shared, as well as ideas that you can take back and implement right away to enhance your outdoor kindergarten program.

A closer look at the practice of making thinking and learning visible in the outdoors through the process of pedagogical documentation will also be visited.

## Culturally Relevant and Responsive Pedagogy

**Date:** Tuesday, March 8

**Time:** 4:30pm to 6:30pm

**VIA ZOOM**

Registration now open

This workshop is intended to provide members with the opportunity to critically reflect on how our identities impact our practice, to consider how student identities and their lived experiences inform CRRP and to develop an understanding of the structure and content of the new ETFO booklet, *Culturally Relevant and Responsive Pedagogy*.

Participants will receive ETFO's *Culturally Relevant and Responsive Pedagogy* resource, as well as other resources to add to their occasional teaching tool-kit.
